Information for publication of personal data, photos or films on the internet

A usage of personal data and material such as photos or films for publication purposes on the website of the organisation is only permitted with consent of the person concerned according to the regulations of section 22 of the Art Copyright Act.

If you agree to such usage, you can give your consent. The declaration of consent is voluntary and can be cancelled at any time without stating any reasons. In case you do not want to give the declaration of consent, we assert that it does not lead to any disadvantages for you personally.

We intend to use your photos on the website of our organisation which could lead to the opportunity of worldwide access to the material and data, even in countries which do not have or only have a low privacy protection standard. Therefore, the organisation cannot influence the access or usage of this data and cannot guarantee the consideration of the privacy standards.

With adequate search engines personal data and photos can be located and identified on the internet. Thus, there is the possibility to combine data and information with data found on the internet to form personality profiles and use those for marketing purposes. Due to the possibility of worldwide access and data storage by other organisations or persons, we cannot eliminate the risk of usage of data and other material through archive function and search engines when you cancel the declaration of consent.
